

Partners in Transforming Lives

A shared mission to offer homeless families and individuals a future of independence and security.

What is the RAIN Transitional Living Center?

A Bridge to Permanent Housing

Since 1997, the RAIN Transitional Living Center (RAIN) has provided housing and services to local families and single adults to help with the transition from homelessness to permanent housing.

Serving up to 70 people at a time in a home-like setting in Camarillo, RAIN provides nutritious meals; intensive case management services; employment assistance including transportation to work; life skills courses on topics such as money management, parenting, and relapse prevention; and privately-funded enrichment programs for children.

How Can I Help?

Become a Partner in Transforming Lives

Homeless families and individuals working to make a new start in life need community support and comprehensive resources beyond the restrictions often attached to public funding. Therefore, RAIN Communities, Inc., a nonprofit 501(c)(3), partners with the County of Ventura to provide funding for special programs at RAIN, including counseling, childcare, and fun activities for the children and their parents.

Half of RAIN's residents are children. Field trips, gardening, arts, and other enrichment activities funded by RAIN Communities, Inc. are important parts of the RAIN program, helping children whose lives have been so difficult feel more like "regular kids."

To volunteer at RAIN (individual and group volunteer projects are welcome), or to make a tax-deductible in-kind, or financial donation that will help a RAIN resident make a new start in life, please call RAIN Communities, Inc. at (805) 389-3308, or visit www.raincommunities.org.
